It's that time of the year again and we are gearing up for our annual **Community Wide Thanksgiving Dinner Celebration**. This event is hosted at and spearheaded by Aldersgate, with lots of support from other area churches. This ministry provides an opportunity for the entire family to serve together, as we make a difference in the life of our community.

We will be smoking **85 turkeys** a couple of days in advance, and we will need lots of volunteers to help **pick the turkeys on Tuesday, Nov. 21st at 1pm and/or 5 pm** in the John Wesley Center.

On **Thanksgiving Day** food preparation will begin at **8 am** and we will begin meal deliveries at **10 am**. We also need help with clean up starting at **1:00 pm** on Thanksgiving. There are lots of chances to volunteer and offer assistance on the big day!

In addition to smoking turkeys, Aldersgate is also responsible for supplying **150 pies**. They can be fresh baked or store bought. We have found in the past that pies like pecan, pumpkin, sweet potato, apple, etc., are easier to stack and cut (*no cream pies, please*). You may bring pies to the John Wesley Center on Monday, November 20<sup>th</sup>, or Tuesday, November 21<sup>st</sup>.

This meal is open to everyone!

We invite you to dine with us on **Thanksgiving Day from 11am-1pm**. Or, if you are in need of a home-delivered meal, please call the hot-line number, **985-326-9849**, that has been established for meal delivery request..

# thanks GIVING

“You shall live in booths seven days; all citizens in Israel shall live in booths, in order that future generations may know that I made the Israelite people live in booths when I brought them out of the land of Egypt.” (Lev 23:42-43)

“Thanksgiving.” What a great word!

If there is a “season” of the year that engenders “thanksgiving,” it has to be Fall.

First, fall propels us forward to one of our great “national” holidays. In its earliest days, “Thanksgiving” was celebrated as a day of “giving thanks for the blessing of the harvest of the previous year.” The earliest “Thanksgiving” celebrations in our nation’s history are romantic remembrances of Pilgrim and Puritan and Native American, all gathered at the table in celebration of a prosperous harvest. President George Washington proclaimed the first nation-wide thanksgiving observance on November 26, 1789, “as a day of public thanksgiving and prayer to be observed by acknowledging with grateful hearts the many and single favors of Almighty God.”

In modern times, December 26, 1941, it was President Franklin D. Roosevelt who signed a joint resolution of congress declaring that a national Thanksgiving Day be observed on the fourth Thursday of November. Previously, the national holiday was celebrated on the last Thursday of November. Why the change? Money. It was believed that moving the holiday up one week would give the country a “much needed economic boost.” Hence, the Thanksgiving holidays, and, particularly, “Black Friday,” became the beginning of the celebration of the “high holy days in retail” leading up to Christmas.

So much for the “acknowledgement with grateful hearts the many and single favors of Almighty God.”

In the church, and far more importantly I think, Thanksgiving began in the church. In the Old Testament, the people of Israel, annually held a festival (one of the three mandated festivals in the OT) were commanded to go to the Temple in Jerusalem for a festival that lasted for seven days. On the first day of the festival, the pilgrims were to refrain from work and be in a spirit of prayer. The second through the seventh days are called “Chol HaMoed,” meaning “festival weekdays.” Observant Jews typically treat Chol HaMeod as a vacation period with an emphasis on entertaining and eating with friends and family. It is the ultimate fall festival celebrating the “ingathering of the bountiful harvest.” “Sukkah” (or booths) are built and decorated to commemorate the celebration of the ancestral Jews. It is written in Leviticus,

In the Christian church, this time of the year is the season of “stewardship.” Stewardship is a way for us to “give thanks” to God for our blessings, prosperities, opportunities in our lives made possible in and through the providential hand of God in our life and living.

The work that is to be done by us in this body of Christ, which we know as Aldersgate United Methodist Church, is a sacred and particular work. It is a work inspired by the Holy Spirit to meet the present needs of our church, our community and the world. This work is made possible through the voluntary giving of those in our church. While this may be the “time of the church year” when we reconsider and recommit to this work through our tithes, gifts and offerings, stewardship happens every minute of the church year. At Horseshoe Drive UMC, they ask you to think about your giving to the church in three ways: a) giving to the operating budget of the church, b) giving to the designated funds of the church and c) giving to the capital campaign vision of the church.

Giving to the operational budget- **GIVING** to the operational budget provides for all of the “resources” of the church. This includes: educational and ministry resources, staff and employment resources, utilities and daily operational resources, building and maintenance upkeep and needs.

Giving to the designated funds- **GIVING** to the designated funds of the church enables the church to accomplish mission goals above and beyond any operational giving to the church. These funds meet extraordinary mission needs in the church and community. This includes: gifts to the Pastor’s Discretionary Fund, gifts to Camp Istrouma and camping ministries, gifts to our local mission organizations through our monthly “Something Bigger,” gifts to the Youth Ministry, Apple Tree Preschool Ministry and Children’s Ministry not provided for in the budget, etc.

At the heart of the question of “stewardship” is, “How do I (and my family) **GIVE thanks** to God?” and, how you answer this question determines how we, Aldersgate UMC, continue our work in the community and the world.

In all things, **GIVE thanks.** (1 Thessalonians 5:18)

Blessings,

*rev. Tracy Mackenzie*

On October 4th a team comprised of 9 Aldersgate and 4 Centenary UMC, Franklinton, LA members traveled to Sulphur, LA to help with mucking out houses in the aftermath of Hurricane Harvey. The team consisted mostly of seasoned senior citizens, however this did not diminish their enthusiasm nor their ability to tackle any project that was presented. The first night we helped the local economy by eating at a locally owned restaurant thanks to Pastor Tracy. Met our host Doc Brinkley from Henning Memorial Methodist Church. Was given the grand tour and do' and don'ts in the facilities. and briefed on the project.

Our client was Ms. Miriam Brown of Lake Charles who was a little over 90 years old and a widow. She had been flooded several times before and was very grateful that we were able to help her. She stayed with us the whole time sitting in a chair in the shade and as we removed treasures from her home we presented them to her to see what was kept and what should be let go. At one point Deb Carlson and Claudette Millsap found a folded American Flag in a bag of clothes that was wet and beginning to get mold growth on the cloth. They brought the flag outside and showed it to Ms. Miriam and she said it was the flag from one of her sons who was a Veteran. After the flag dried, Pastor Tracy brought it to a local dry cleaner to have it cleaned. Doc Brinkley said he would collect the flag and have it presented to Ms. Miriam by some Veterans from Henning Memorial.

After removing most of the items that were still wet like mattresses, couches and her favorite chair we were ready to tackle removing drywall and flooring. Luckily for us we had a moisture detector and several walls tested for no moisture and we were able to reduce the number of walls needing to be opened up for treatment. Unfortunately the kitchen cabinets had to go and the vanity in the bathroom were compromised and had to be removed. Flooring was the last things to be removed and as our luck continued this came up fairly easy.

This team was awesome, everyone worked together to accomplish more than our host even imagined possible. We were able to get the house ready for mold remediation and drying in just one 10 hour day of work.

All day long we were keeping an eye on our weather apps on our phone to see what Hurricane Nate was doing. As the cone of uncertainty kept moving West it became apparent that a decision to terminate our efforts and return home to secure our homes was fast approaching. The decision to return home was difficult, however we needed to return home to get ready.

I cannot thank each team member enough for being the Hands and Feet of our Lord Jesus. They are a great blessing to those we serve.

In Christ Alone, *Milton Lizana*

## **Sharing the Love of Christ... One Diaper at a Time!**

We want to thank First Baptist Church in Pascagoula, St. Margaret Mary Church, Northshore Technical Community College and members and friends of Aldersgate, UMC for their generosity towards those affected by the hurricanes that hit Puerto Rico, other islands in the Caribbean, Texas, Louisiana and Florida.

In early October, the Epworth Project and Aldersgate UMC was asked by the St. Tammany Parish Office of Homeland Security and Emergency Preparedness to be a hub for donations for the relief efforts for the people of Puerto Rico. We accepted the request wholeheartedly and almost immediately began getting people walking in the door with donations due to the publicity distributed by that agency.

Thousands of diapers, baby wipes, formula and bottles as well as feminine hygiene products are now on their way to the islands. Other items that could not be shipped were distributed to other hurricane relief organizations as well as local non-profits who could get it to people who could put it to good use.

A special thanks to everyone who answered the call to unload the Baptist trailer when it arrived and to help pack up and distribute the donations when it was time to get them on their way.

*"And do not forget to do good and to share with others, for with such sacrifices God is pleased." Hebrews 13:16*

## **The Hands & Feet Ministry is Back!**

This ministry offers each of us the opportunity to be the hands and feet of Christ through small, but important gifts of time to others in our congregation and community. With the slogan of "We've Gotcha Covered", participants can let us know they are available to volunteer their time to help someone with a needed task or service.

Examples of requests the church office has received include changing out ceiling light bulbs for a senior citizen, getting dropped off and picked up for a doctor's appointment and emergency fostering of a pet due to a sudden illness.

H&FM volunteers will be called on a rotating basis when a request for assistance comes in. If you are not available at that time, no problem.

If you are a senior citizen or someone how needs assistance with simple household tasks, please call the church office and we will put you in touch with one of the H&FM volunteers.

For more information or to sign up to volunteer your time, please call 641-5829 or e-mail Suzie Hunt at [suzie@aldersgate-slidell.org](mailto:suzie@aldersgate-slidell.org).

**The Mix & Mingle Room behind the Sanctuary on Sunday Mornings from 9:30 a.m.—11 a.m.!!**

For your convenience, we have set up the Mix and Mingle Room as a place to get a cup of coffee, learn about the many on-campus and outreach ministries that are here at Aldersgate UMC. It's also a great place to sign up for things like Parent's Night Out, mission trips, etc.

This space was also created to give people the opportunity to take time to visit with each other and perhaps even talk with someone you've only known as the person you see sitting three rows ahead of you at Sunday services.

So drop by the Mix & Mingle Room this week. It's THE place to be on Sunday mornings.

**Eye Glasses Donations**

Aldersgate UMC is a collection site for the Noon Slidell Lions Club's Eyeglass Recycling Program. Used prescription glasses and reading glasses are welcome.

Lions International uses the donations to help conserve sight for children and adults around the world.

A donation box is located in the church office and donations are picked up on a regular basis. Glasses cases are also welcome. Prescription sunglasses cannot be recycled.

More than 2,000 glasses pairs have been recycled through the Slidell Noon Lions Club each year. For more information, contact Jim Towler at 601-798-7103.

**Kairos Prison Ministry International**

**Kairos Outside Information Meeting  
Monday, January 8, 2018 at 7 p.m.  
Genesis Hall**

- Have you the courage to step out further as a disciple of Christ? On January 8 at 7 p.m., Aldersgate is hosting an evening to hear about the Kairos Prison Ministry.
- Do you wonder if you can go into a prison and minister to inmates?
- Can you have compassion and love for women whose loved one is incarcerated?

Come and learn how you can be as Christ to the lost. The inmates serve time behind the bars. Their families serve the same time in isolation, loss of support and income and missing the loving arms of their family members. Come and See!

## We made our quota Thank You!

Thanks to all who participated in the October Blood Drive. Even with our abbreviated recruiting schedule due to H. Nate, 30 people rolled up their sleeves and 22 actual donations were made.

Because of the generosity of these donors, and the people who went to The Blood Center to donate as part of the Aldersgate donor group, AUMC has made its donation quota for the year! Members of our congregation are now covered in the TBC blood assurance program and can receive a rebate of up to \$2,500 for blood products they receive in the coming year. If you have questions about this program, call Suzie Hunt at the church office. 985-641-5829
