ASH WEDNESDAY

Wednesday, March 1st

Ash Wednesday marks the beginning of the season of Lent. Ash Wednesday emphasizes two themes: our sinfulness before God and our human mortality. The service focuses on both themes, helping us to realize that both have been triumphed through the death and resurrection of Jesus Christ. The use of ashes as a sign of mortality and repentance has a long history in Jewish and Christian worship. Historically, ashes signified purification and sorrow for sins.

We will have a service at 7:00 PM in the sanctuary.

There will also be teams of folks sent into the community to offer ashes throughout the day. If you are interested in helping in this way, please contact Scott or Rev. Tracy.

From Feasting to Fasting

The best of Mardi Gras is that it is rooted in Christian tradition. The season begins at Epiphany. The colors of Mardi Gras represent

the gifts of the Magi: Gold, Frankincense, and Myrrh – Gold, Green and Purple – Power, Faith and Justice, respectively.

The word “carnival” means, literally, “taking away of flesh.” For Christians, a way to enter into a “season of penance” was marked by the withdrawal of eating of meat. In England and parts of Europe, the day immediately before Ash Wednesday, came to be known as Shrove Tuesday: the last “feast” day before the beginning of the fast. In more modern times, this “feast” tends to be about covering pancakes with butter and syrup...or frying breads in deep fat...thus, the day became known as Fat Tuesday...and, fat became another one of the excesses “to be given up” during the season of Lent.

In modern times, especially we, in Louisiana, have come to understand Mardi Gras, the Carnival season to be the expressions of many excesses. At its heart, Mardi Gras is about “family” and “people who are like family.” Often, the “krewes” are comprised of family members and friends. Along the routes, it is about family, as well.

One of the post-Katrina remarks about Mardi Gras Day 2006 was the coming together of people who had been parade watching on the same ground for many generations. Following Hurricane Katrina, many folks remarked that they “showed up” at their parade grounds looking for their “family” with whom they had shared Mardi Gras with for generations.

It has been called, “The Greatest Free Show On Earth.” Truly, for the “average parade goer” it would seem to be. The majesty, the beauty, the over the top floats and costumes, the children from schools all around the city marching in dance groups and marching bands are offered without an admission fee. I mean, think about it, total strangers, have spent “good money” to throw you a pair of 48” long beads, or a lighted krewe pendant, or a coveted Zulu coconut...I mean, how great is that?

Interestingly enough, some of the things that make Mardi Gras the best...also, make it the worst. Those excesses come at a tremendous price. From the “krewe” side, Mardi Gras is anything but free. A study on the Economic Impact of Mardi Gras on the City of New Orleans found that almost \$13 million dollars was spent related to New Orleans’ 2011 Mardi Gras season by the “Krewe” members, themselves. Added to this is the amount of money that comes into the city through public and private revenues and expenses and the total

economic impact in 2011 was nearly \$150 million dollars... a free show it is not! An additional harsh reality about this “exercise of excesses” is that all of this is going on in the middle of abject poverty. Recent figures count NOLA’s homelessness rate at nearly 3 times the national average. So, in a city that is not nearly rebuilt from the destruction of Hurricane Katrina, every year (literally) millions of dollars are being thrown away.

Following the “feasting” of the “fleshly” time is the season of “fasting.” Ash Wednesday (March 1st) signifies the beginning of the season of Lent. Lent is an opportunity to “break with the flesh.” It is an invitation for the Christian to look in the mirror and see those places where there is separation from God, where there is confusion and disillusion, where brokenness finds healing and forgiveness finds reconciliation.

There are forty days of Lent. It is a time when we remember Jesus’ time spent fasting in the wilderness, enduring temptations from the devil. The scripture tells us that, “He ate nothing and at the end of the time ‘was hungry.’” Similarly, Christians are called on to observe a Holy Lent: “by self-examination and repentance, by prayer, fasting, and self-denial, and, by reading and meditating on God’s Holy Word, to make a right beginning of repentance.” Within the seven weeks of Lent, there are 7 Sundays. Sundays are considered “feast” days. It is believed in the ancient liturgy of the church, that Sundays can never be “fast” days because Sunday is always a day of the celebration of the resurrection of Our Lord and Savior, Jesus Christ.

Lent should not be viewed as a legalistic or compulsory act, rather as an amazing opportunity to set time apart for spiritual cleansing, renewal, and preparation.

Christians believe that because it was the sin of man that led Jesus to be crucified, Lent should be used as a time to reflect on the significance of Christ’s death, both for humanity as a whole and as individuals.

How will you observe a Holy Lent?

Whatever you do, do it. Don’t give up spinach, if you don’t like spinach. Don’t take on something that is impossible for you to carry through.

Whatever you do, do it...with seriousness, with integrity, with expectation...pray your way through it...and be blessed on the journey...a Holy Lent may not be easy but, it is well worth the effort.

Blessings,

The Chapel Choir of FUMC of Downers Grove, IL !

March 28th, 7pm in the Sanctuary

The Downers Grove First United Methodist Church Chapel Choir Tour "Stand for Peace" shares the message of peace through music and scripture! Jesus teaches us how the peace of Christ can and does enter our life daily if we just ask!

We are so fortunate to be one the stops on the choir's 46th annual Spring Break musical mission trip to New Orleans. This choir visited us 4 years ago and asked to return again!

Come and enjoy a special night of great music and powerful witness!

We Need Host Families!!!

As the host church for the Chapel Choir during their stay in New Orleans, we are providing housing for the choir members.

These family stays are an integral part of the tour experience, and allow us to share our local culture and faith story in a unique way to hungry students.

We need to house **35 high-schoolers** for two nights, March 28th and 29th.

(They have daytime activities planned, so we are only in need of night-time accommodations and breakfasts for two mornings.)

Please consider sharing the gift of hospitality and grace to these young people on their spring break mission tour.

If you would be willing to serve as a host for at least 2 students, please email our Director of Music, Scott Clausen at (Scott@aldersgate-slidell.org) or give him a call at the Church 985-641-5829.

GriefShare Leader Training Session

Aldersgate UMC will host a training workshop for prospective leaders of GriefShare Support Groups on March 18 from 10:00 AM to Noon.

GriefShare is a structured, professionally designed, internationally distributed, spiritually-based grief support group. Each group consists of 13, two hour sessions including a video, discussion, sharing, and use of a participant guide book. The sessions are designed to help you rebuild your life and to offer help and encouragement after the death of a spouse, child, family member or friend. We know it hurts, and we want to help.

Groups are led by two trained leaders, preferably one of each gender. Individuals interested in being trained to lead GriefShare groups in churches, libraries, schools, offices and other venues across the Slidell/Lacombe/Pearl River areas are needed. No prior training or experience is necessary although having grieved the loss of a loved one is beneficial.

The training will be held at Aldersgate United Methodist Church, 360 Robert Blvd in Genesis Hall, located next to the church office. The training is free. Leader Guides are available for \$25 each. Please send requests for more information by email to griefshare@aldersgate-slidell.org or call 985-641-5829 to sign up. Please contact David Kidder at 985-502-0484 if you have questions.

ALDRSGATE'S SENIOR CITIZENS HEAD TO SAGER BROWN

Why should the youth have all the fun on mission trips? It's time to take all that experience we've gained over the years and put it to work! AUMC's seniors (classified as 50 years of age and older) will be heading to UMCOR's Sager Brown facility in Baldwin, LA May 21-24.

Sager Brown is a 48,000 sq.ft. depot that receives, sorts, packs and ships supplies for disaster relief around the world. Dating back to 1867, Sager Brown has a rich history of making a difference in the world. We will put our energy into their flood bucket program and in the many relief program areas found on the campus.

I have talked with the Sager Brown staff and was candid with them concerning the age of our volunteers. I have been assured that there are many ways to serve and make a difference that do not include strenuous efforts or heavy lifting.

The cost of the trip is \$150, which includes most meals and lodging. The deadline for registration is Wednesday, Feb. 15.

Scholarships are available for people who would like to go, but are without the needed funds. Registration packets are available in the church office.

We will be staying overnight on the Sager Brown campus in Zook Hall. Two people will share a room and there are separate facilities for men and women. This trip is limited to 24 individuals.

A general information meeting will be held on Wednesday, Feb. 1 at 6:30 p.m. in Cokesbury Rm. 203. We encourage you to attend to receive an overview of the trip and to ask questions.

For more information or to register, contact Suzie Hunt at **641-5829** or by email at suzie@aldersgate-slidell.org.

A Fellowship for Seniors, 55+

Thursday, March 23

10 am • Genesis Hall

We did a switch in scheduling and enjoyed a talk from Karen Smith and the Slidell Camellia Club in February. Flowers bloom when they will and we wanted to take advantage of the abundant blooms for their waxing demonstration.

This month, we will have as our guest Bryan Massery from the St. Tammany Parish Mosquito Abatement Program. Learn what you can do to help keep these pesky insects at bay, as well as what the parish office does to keep us safe and healthy when the little biters swarm. This program is free and open to the public.

Matching backgrounds will be setup at locations around campus. Photos will be taken before, between and immediately after Sunday Services and prior to large events taking place on campus.

While taking photos, we will also verify/update your church membership information. Suzie Hunt is looking for volunteers to help with this project. Please contact her at the church office at 985-641-5829 or at suzie@aldersgate-slidell.org.

Photo sessions are scheduled to begin Sunday, March 19. Watch for further details in the church bulletin and Friday e-mails.

THANK YOU!

Dear Aldersgate Church Family,

There are not enough words to express my deepest thanks for all you support, prayers, and many cards during my tough days.

You will not know how much it means to me for the support of the care team and those who made many visits to the hospital.

I am so blessed to be a part of such a caring and loving church family.

Thanks again and
GOD BLESS YOU ALL
